Antelope County, Nebraska Comprehensive Plan Survey

Agree or Disagree

Please indicate to what extent you agree or disagree with the following statements. Your answers will help determine the goals and priorities for Antelope County's next comprehensive plan. The following topics are included below: Economic Development, Housing, Quality of Life, Visual Appeal, Energy & Resource Conservation, Recreation/Entertainment, Funding and Taxes. Please mark/circle "No Opinion/Not Sure" when the statement is inapplicable to you. This is the longest portion of the survey. It continues on the next page. To make this as quick as possible, your gut instinct should be satisfactory; you do not need to spend extra time thinking about each answer. Part 4 should take about 10 minutes to complete.

18. Please answer the following questions as indicated above

	Strongly Agree	Agree	No Opinion / Not Sure	Disagree	Strongly Disagree
If I had the means, I would start or invest in a small, local business.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Commercial real estate is over-priced in Antelope County.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
It is too hard for small businesses to survive here.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Antelope County towns have nice downtowns for business opportunities.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Antelope County's history and architecture should be preserved.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Old buildings and houses should be cleaned up or torn down.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
New business should be along highway corridors instead of the downtowns.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The county should keep all new business development within city limits.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The entrances to towns in Antelope County are	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

attractive.

Agricultural land should be developed for business and housing.

The county should focus on developing technology and energy resources.

Protecting farmland should be the county's top priority.

Value-added strategies need to be implemented to enhance agriculture.

Wind farms will strengthen our economy.

Solar farms will strengthen our economy.

Wind farms can be attractive.

I think large wind mills would ruin my view of the landscape.

Wind energy will help us protect other natural resources in Antelope County.

New or expanded manufacturing or assembly plants will bring the kind of jobs we need.

There is a strong, available workforce in Antelope County.

The county should be more proactive in supporting existing industries and businesses in Antelope County.

I would take a job on an assembly line.

Local farmers have a high need for employees but they are unavailable.

There are enough part-time jobs for high-school

students.

High school kids travel too far for entertainment and jobs.

Middle school kids don't have anything to do with their free time.

I will support a county-wide effort to provide jobs and volunteer opportunities for the general public.

There should be more places where kids can hang out with their friends.

Antelope County has a variety of housing options.

Real estate and rental rates are less expensive than for surrounding counties.

Public housing is adequate for Antelope County's needs.

Most homes in Antelope County are in good condition.

New housing should be built within city limits or within close proximity.

More affordable housing is needed for young families.

The elderly needs more housing and assisted living facilities.

There needs to be more apartments, town homes, or duplexes.

Enough homes are for sale in the \$100,000 to \$250,000 price range.

New housing

developments should be spread throughout the county.

There is enough rental property in Antelope County.

Farmers should be allowed to sell and subdivide their land however they want.

Overall, homes in Antelope County have an above average appearance.

I would support a program to strengthen community pride and appearance.

County roads are in good condition.

I would support a program to repair/clean-up homes and lawns.

Developers should pay for new water lines and other infrastructure.

Developers should be allowed to build residential subdivisions in rural areas.

Developers should be required to enhance roads and bridges.

Developers should be required to locate within existing communities and connect to city services.

I would be willing to pay an additional tax for county road improvements.

Public transportation is easily accessible in the county.

The county has quality Police, EMS, and fire protection.

I receive good health care locally.

Good dental care is available in Antelope County.

I feel that adequate senior services are available.

I feel that adequate senior services are affordable.

I feel that adequate child care is available.

I feel that adequate child care is affordable.

There are adequate after-school programs available.

Good quality education is available in Antelope County's schools.

There are not enough teachers in Antelope County.

There are plenty of extracurricular activities and events for kids.

There are adequate adults and senior citizens activities.

I often use community centers and/or walk-n-bike paths, tracks, or trails.

There are not enough places to exercise, or they are too far away.

Outdoor recreation options are limited in Antelope County.

It is important to preserve and share Antelope County history.

The county's water bodies are important assets.

The prairie is an important resource for the future of Antelope County.

The future of Antelope County is more important than preserving its history.

Retaining youth is the key to Antelope County's future.

Retaining current business is key to Antelope County's economic survival.

Recruiting new business should be a priority for the county.

Existing business districts should be revitalized.

County and city resources should be consolidated where possible.

Growth and development should be carefully managed.

We should partner with neighboring counties for the future of our region.

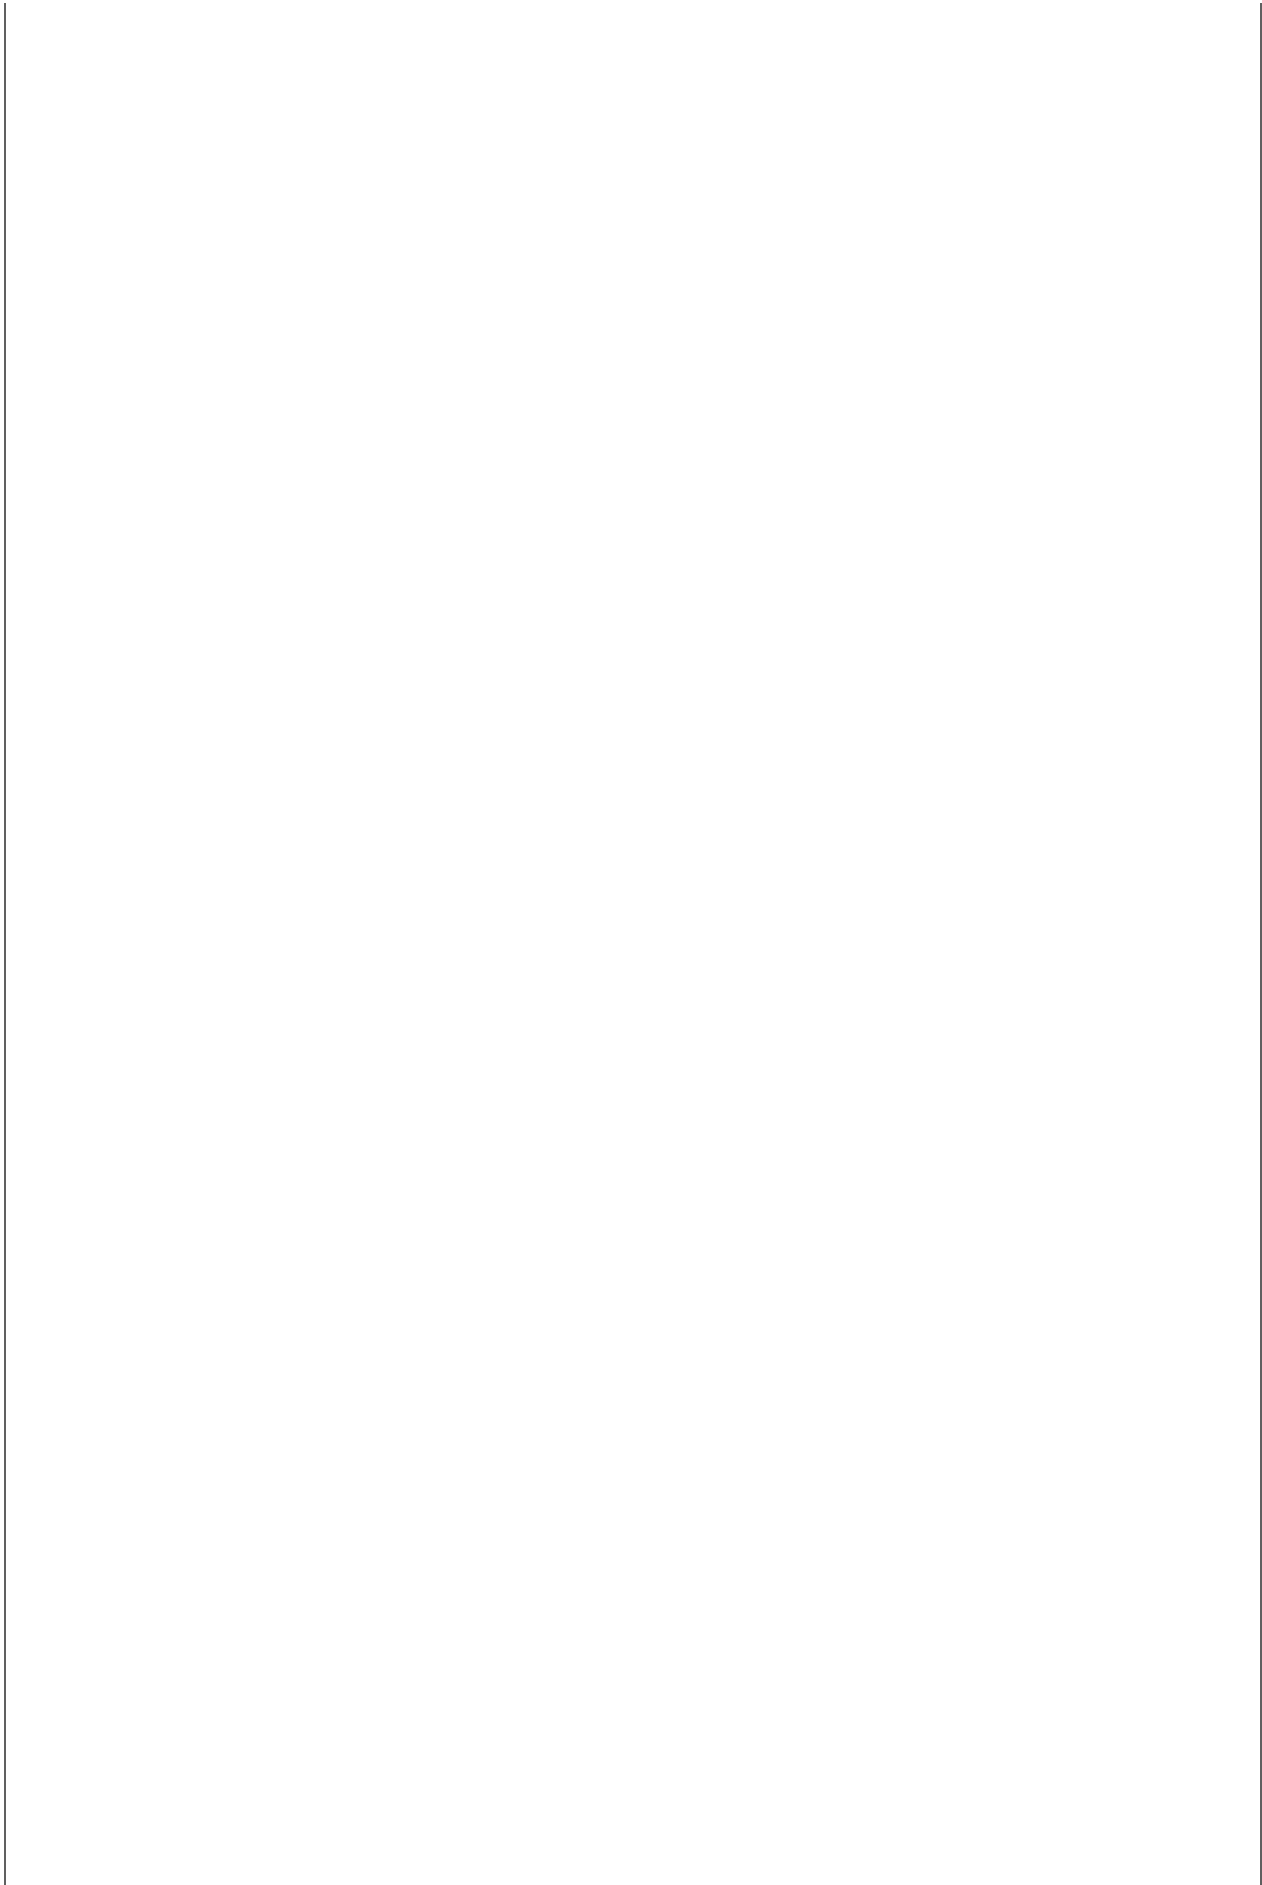

Overall, Antelope County is a good place to live.

Antelope County has a likable rural and small-town atmosphere.

There are adequate cultural opportunities, events and activities.

County government officials are responsive to community needs.

Local government officials are responsive to community needs.
