# RESOLUTION 2023-10

**WHEREAS**, the Federal Disaster Mitigation Act of 2000 was signed into law on October 30, 2000, placing new emphasis on state and local mitigation planning for natural hazards and requiring communities to adopt a hazard mitigation action plan to be eligible for pre-disaster and post-disaster federal funding for mitigation purposes; and

**WHEREAS**, a Multi-Jurisdictional Hazard Mitigation Plan was prepared by Antelope, Holt, and Knox Counties, known as the Tri-County area, in Nebraska with assistance from JEO Consulting Group, Inc.

**WHEREAS**, the purpose of the mitigation plan was to lessen the effects of disasters by increasing the disaster resistance of the counties and participating jurisdictions located within the planning boundary by identifying the hazards that affect the Village of Clearwater and prioritize mitigation strategies to reduce potential loss of life and property damage from those hazards, and

**WHEREAS**, FEMA regulations require documentation that the plan has been formally adopted by the governing body of the Village of Clearwater in the form of a resolution and further requesting approval of the plan at the Federal Level; and

**NOW, THEREFORE**, the governing body of the Village of Clearwater does herewith adopt the most recent and FEMA-approved version of the Tri-County Hazard Mitigation Plan 2023 in its entirety.

PASSED AND APPROVED this 8 day of May, 2023.
